

## Dear KFA Family Members,

2019 was an amazing year for your family association, and we thank you for your membership and your continuous support of our mission.

First, the 2019 reunion was the best in recent memory. Family members from across the country and the globe attended. Kimble Finck members from California and the Kimball Family from Australia honored us with their presence. In addition, members from a dozen other states attended the 50th official reunion! Amazing. Thanks to all your Board members, but especially

Sylvia Stevens who really makes everything happen so wonderfully. Second, we reaffirmed our mission of becoming an interactive community of descendants where we share news of each other's family through the Newsletter. Therefore, we encourage you to send us news that we can share. Further, we are wondering if a KFA directory of members would be another way to allow us to become more familiar with all our cousins. More on that later. Special thanks to Judy Miller and her amazingly talented daughter Tanya for making our Newsletter come alive.

Third, we again awarded Scholarships to deserving family members to enable them to continue their education. In addition, we have launched a 100% Scholarship Match whereby your gift to the Scholarship Fund will be doubled up to \$5000. A KFA member has offered this match as a show of commitment to support the higher education of the next generation of family members.

Remember that the scholarships also can be awarded for technical schools, community colleges, and other similar advanced schooling. Please be thoughtful with your financial support. What greater gift could we provide than that of advanced education?! Please know that Ralph Stevens is the key member who leads the scholarship program – thank you Ralph for your leadership!

Fourth, we seek to be a strong partner in researching Kimball family ancestors. We all want the journey through your ancestry to be a bit easier and more productive. Carol Kimball Stahl is available to work with you in your efforts. We seek your membership support, your news updates, and your financial commitment to the nearly 400-year legacy of one of America's founding families.

*1st Time Attendees; Carrie Lambert, Ellen and Graham Waite, James, Susan and Kara Vander Wick*

## 2019 Annual Dues

Annual dues of \$15 are due in January. If you have any questions regarding your standing, please contact [ebm.silverfox@cox.net](mailto:ebm.silverfox@cox.net) or call 860-276-0048.

Newsletter will be entered on the web in membership section. They will be mailed to all members who do not have e-mail accounts or request we mail.

*Richard Kimball*  
KFA President
