

Greetings Kimball Cousins,

I'd like to thank the Board of Director's, the speakers and all those who attended this year's reunion for making it a wonderful success. It was fabulous to see so many cousins returning from last year (32) as well as meeting fifteen new attendees. All totaled we had 47 attendees, three of which became new members of the KFA.

Our first attempt at a three-day reunion was overwhelmingly positive. Both groups who toured the Kimball homes and visited the Ipswich MA Museum had nothing but good reviews. Our guide Gordon Harris even went so far as to put identification flags on the Kimball graves.

This year's speakers really out did themselves. On Friday we heard from Carol Kimball Stahl, Sylvia Morris and Mark Nichols. Carol began the sessions speaking about how to use the KFA Volumes of the History of the Kimball Family in America. She provided informative handouts which make great additions to the Resource Book.

Sylvia spoke of her emotional journey to find her biological parents, only recently finding out she is a descendant of the Kimball line of "Mormon Royalty" as she so excitingly put it. Mark followed up with an historical talk about George Kimbel (6 Mar 1803 - 6 Mar 1836) who served alongside of Sam Huston, Davie Crockett and James Bowie. George was the commander of a group of reinforcements known the "Immortal 32". They arrived at the Alamo on the March 1st and help hold the Alamo until the 6th. Kimbel County Texas is named after him. In addition to Mark's talk there is interesting reading on the internet an in our Resource Book.

I have to thank Sylva Morris and Anne Falk for leading us in the Kimball song this year, it sounded so much better than last year!

Carol led off Saturday's talks with another set of handouts describing how to work through the KFA Family Tree on Ancestry.com and how it all ties back to the KFA books. John Kimball from Austin, TX following with an impressive slide show regarding his father and his work with NASA during the Gemini and Apollo programs. His talk brought back many memories of staying up way past my bedtime watching all the lunar landings. Carolyn Muller of the Littleton (MA) Historical Society spoke about the Kimball family from Littleton and the immediate area. Along with her talk she brought some artifacts including the "Littleton Giant's" shoes, and yes, they belonged to a Kimball. Nearly everyone tried to match their shoe size up with the outline of those huge shoes, no one came close. Richard Kimball closed out the talks with an update on the Laurie Cohen Kimball farm house and cemetery in Maine.

Richard introduced two new methods to assist with the funding of our scholarships. The first is the "1634 Society" for those who donate \$500. and the second being the "Ipswich Society" for donations of \$250. Both were very well received by the membership with many attendees indicating a willingness to become "Society" members. By the closing of the reunion four members had contributed to the "1634 Society" and two to the "Ipswich Society" providing a great start to the programs. Further details are included elsewhere in this issue of the KFA "Connections" newsletter.

We would like to hear about any family announcements, births, marriage or deaths. Email - SylviaStevens81@comcast.net.

Interspersed throughout the day we had the Annual Business Meeting, Silent Auction, 50/50 raffle and book sales.

In closing I want to thank all those who attended, especially those who traveled some distance to be with their cousins. Without the support and effort of the Board of Directors, especially Sylvia Stevens these reunions would not be possible, thank you again. Spread the word, let's see if we can get over 50 attendees next year.

Next year the Kimball Family Reunion will be held at the Courtyard Marriott Hotel in Nashua, NH. This years reunion I feel was out standing. The members that went on the tour in Ipswich, Mass, at the Ipswich museum enjoyed it very much. The tour guide Gordon Harris was full of great information and knowledge about the Kimball homes in Ipswich, Mass.

On Friday evening we had entertainment. Saturday was the annual meeting, Silent Auction which went great and lets not forget our speaker that we had on Friday and Saturday. They are Mark Nichols from Cummaquid, Mass, John Kimball from Austin, Texas and Carolyn Muller from Littleton Historical Society. She brought up with her the Giant Kimball Shoes and other items in a showcase.

The meals that we had for lunch and dinner were buffet. Enjoy as much as you would like it was the best.

The Board Members would like to see all of next year and I plan to do the tour again for the ones that missed this

2022 SCHOLARSHIP AWARDS WINNERS

The Kimball Family Association is proud to announce our scholarship recipients for 2022 are **Ryan Clark** and **Amy Iwanaga**. They both received a \$3000 scholarship for the 2022-2023 school year.

Ryan is from Sacramento, CA and is the grandson of Tom and Sher Jones. He is starting his freshman year at San Diego State University.

Amy is from Trabuco Canyon, CA and is the daughter of Jennifer Iwanaga. She is attending the University of California at Santa Cruz. We look forward to following their journey and wish them both success with their educational endeavors!

Students who did not receive a scholarship this year are encouraged to apply again next year. Grandparents, please encourage family members to join the KFA, as this helps keep our scholarship fund going and also strengthens our KFA community.

We would like to extend an extra special thank you to those who are already supporting our new scholarship initiative by donating to the newly formed 1634 and Ipswich Societies! Our students need us, and we are truly grateful to invest in the future of the Kimball family.

Thank You!

My name is Ryan, and I just started my freshman year at San Diego State University. I am undeclared right now, but I plan on doing business. I don't know what type of business I want to do yet, but I plan on finding something that works for me. I love being outdoors and being active and I also like spending time with family. I also enjoy baking and going on new adventures. I am related to Richard Kimball through two of my grandparents. Richard is my twelfth great grandfather on my maternal grandmother's side, as well as my eleventh great-grandfather on my maternal grandfather's side. I appreciate this scholarship and I want to thank everyone who was a part of it.

About that Kimball Lineage.....

As you know, the initial volume of KFA's *History of the Kimball Family in America* was based on the *History* originally compiled by Leonard Morrison & Stephen Sharples in 1897. That voluminous volume (1278 pages!), of course, contained errors and omission that M&S addressed via their subsequent newsletter: the "Kimball Family News" (KFN). When Judith A. and George Kimball with the Genealogical Committee began their publishing efforts, they used the original text AND the information contained in the KFN along with other acquired data. However, despite their best efforts, we occasionally encounter errors – such as one that was recently brought to my attention.

Larry George was researching a Kimball line and realized that there was a mistake in a name. The original M&S entry for **Charles Seneca Kimball** (M&S #1037) is "all wrong," according to a blurb in June/July/August 1901 issue of the KFN. The article points out that his correct information is found in the May 1898 issue. This information was used by the KFA team to create two "Charles Kimball" entries in Volume II: KFA#1295 and KFA#1300. Both were grandsons of Francis Kimball (KFA#251). Charles #1295 (died in MN) was the son of Francis's son Peter (KFA#602) and Charles #1300 (died in MA) was the son of Francis's son Jonathan (KFA#605).

Larry writes, "My supposition is when M&S made the original mistake, they attributed the name "Seneca" to the one in Profile #1037 and the name never got corrected when KFA teased the two apart into profiles 1295 and 1300. It would appear that Charles 1300, son of Jonathan, is the one who was actually named Charles Seneca rather than Charles, son of Peter, who died in Minnesota." And after doing my own research, I concur with his evaluation of the situation.

So, in Volume I in KFA#602, change son "Charles Seneca" to "Charles S." and in KFA#605 change "Charles S." to "Charles Seneca." You will also want to make those same changes in Volume II for KFA#1295 and KFA#1300. And, thus, we are nearer to perfection.....

Ellen Muson, 64

Ellen Ruth (Kimball) Munson completed her journey on this Earth in the pre-dawn of Sunday, June 12. Ellen always liked to get an early start. Born August 13, 1958, for her the number 13 was never unlucky.

Predeceased by her mother – Pauline A. (Gardiner) Kimball, father – Vernon H. Kimball, and brother – Dana P. Kimball, Ellen faced several medical challenges in her life, including kidney transplants in 1986 at MMC and in 2012 at Johns Hopkins Hospital. The challenges are not as important as how she faced them – with courage, determination, and perseverance. Even when her final challenge was ultimately insurmountable, she never wavered.

Ellen loved to travel, and was able to visit Bermuda, Hawaii, the Caribbean, Sweden, France, Germany, the Netherlands, Spain, and Italy. Closer to home, Ellen listed Key West, San Francisco, and Nashville among her favorite places.

A graduate of Cape Elizabeth High School and Westbrook College, Ellen was employed for many years as a legal secretary for Pierce, Atwood in Portland. She then enjoyed working as a medical receptionist for a small, two-physician office in Yarmouth where she particularly excelled in dealing with the elderly. When that office closed, Ellen became a medical transcriptionist working from home for several years. In semi-retirement, Ellen had a successful eBay store for over seven years where she sold women's clothing and accessories and big and tall men's leisure, sport, and work wear, all "sourced" from local thrift and consignment stores.

An avid dancer, Ellen started tap dancing at the age of 5 and later performed in numerous community theater productions with Portland Players and Lyric Music Theater in South Portland, where she was thrilled to be in a standout production of "Chorus Line." More recently, Ellen was Choreographer and ad hoc Assistant Director for several Reindeer Theater children's productions in Westbrook.

A member of Foreside Community Church, Ellen joined the "knitting circle" where she could both exercise and share her considerable skills with knitting and crocheting. As an animal lover, she had an affection for Spaniels, and was a member of English Springer Rescue of America (ESRA) and the New England English Springer Spaniel Rescue (NEESSR). She was a volunteer with the Maine Pets Foundation and the Animal Refuge League of Greater Portland Feline Foster program.

Ellen was always grateful for her close friends and immediate family and is survived by her incredibly fortunate husband of thirty years, Mark Munson of Gorham, stepdaughters Jennifer (Ellis and son Ethan) Bailey of Wareham, MA, Laurel Munson of Portland, ME, and Pawter Sophie.

Helen E. Kimball "Polly", 82

JONES, Helen E. (Kimball) "Polly" Age 82, of Westborough and formerly of Framingham, Massachusetts, died peacefully at home on Friday, May 13, 2022 surrounded by loving family. Born in Boston, Polly was the daughter of the late Robert Merriman Kimball and Barbara (Playfair) Kimball. She was a graduate of St. Lawrence University (1961) and Newton High School (1957). An avid photographer, Polly summered in Friendship, Maine where she enjoyed capturing coastal images and spending time with extended family. She loved both art and sports, valued education, and was a passionate advocate for those with special needs. Polly is survived by her children Dr. Catherine Jones Dickson and husband Dr. Eric Dickson, of Princeton, MA, Barbara L. Marshall and husband Kevin Marshall, of Plymouth, MN, and David B. Jones, of Worcester, MA; a brother, Thomas M. Kimball, of Albuquerque, NM; and a sister, Laurie K. Mottle, of Meriden, CT; and many nieces, nephews, and dear friends, both near and far. She was the proud grandmother of Connor, Caileigh and Collin Marshall, and Killian, Carly and Katarina Dickson, all of whom treasured her love. She was predeceased by her beloved husband, Matt B. Jones, Jr., in 2009. In lieu of flowers, memorial donations may be made to the Friendship Memorial Scholarship Fund, P.O. Box 129, Friendship, ME 04547-0129, and to the KFA Scholarship Fund c/o Kimball Family Association, P.O. Box 180, Southington, CT 06489. <http://brittonfuneralhomes.com>
